

Buy, Eat, Live Local

2019 SEASON

JUNE 2 - OCTOBER 27

**Plus Thanksgiving Market
November 24**

The Woodstock Farmers Market has been connecting our community to local Oregon farmers for eight years and counting. A huge part of our success has been the amazing support of local businesses who recognize the importance of bringing this great community event to our neighborhood every Sunday from June to October.

Just how many of our neighbors are stopping by? During the 2018 season we attracted an average of 2000 visitors to Woodstock each Sunday – some markets as many as 3000 – and many of those visitors went on to shop at other businesses in the neighborhood.

Your support of the Woodstock Farmers Market helps ensure another successful year of this amazing family-friendly gathering place where everyone can enjoy free music, kids activities, and the chance to connect with local farmers and help support our local economy.

THANK YOU!

**Sundays from 10 to 2
in the KeyBank parking lot**

Since 2012, the Woodstock Farmers Market has raised money to offer matching funds to our SNAP shoppers, ensuring that all of our neighbors can afford fresh, healthy food from local Oregon farmers and vendors. An additional donation today helps sustain this valued program!
